

Occupational Health & Safety Policy

Travers Welding & Fabrication Limited is aware that operating its business has significant health & safety risks. It is therefore essential that all parties concerned within the operation of the business take appropriate steps to protect personnel from harm.

To this end we at **Travers Welding & Fabrication Limited** commit to the following statements:

- To operate our business with regard to the health & safety of all persons affected by our operations in order to prevent harm.
- To use appropriate safety equipment and work to approved systems when undertaking our work.
- To integrate health & safety issues into our decision making.
- To continually look for ways to and improve our health & safety systems.
- To educate and train our employees in safe working practices.
- To ensure compliance with relevant health & safety legislation and other requirements related to our operations.
- To set and achieve our health & safety objectives and targets.
